To Dr. Birdwell, a man who, by living daily for his beloved "lads," has endeared himself to all of us as our college president and friend — we dedicate this annual.

The College in War Times
The whole world is being tried by fire.
Character, courage, endurance, religion, are being tested as never before. Those who stand the test will be the rulers of tomorrow's world. Not only in battle will we be tested. The tasks at home will be difficult and exacting. We shall have to live in a war economy. There will be few luxuries, there will be work to do. There will be no place for slackers. In it all college men and women should take the "heavy part." May you have a big part in winning the war, and a decisive part in making a better world. My heart goes out to the heroes who are in the armed forces of this country, and equally so to those who produce the material and food that make ultimate victory certain, and to those who "keep the home fires burning." Each will have a part. Dr. Birdwell
Victory is coming and with it a better world.
"Quit yourselves like Men."

Affectionately,

Alv. Birdwell

FOLLOW OUR MARCHING MEN

Across memory's stage marched soldiers — to "The Marseillaise," to "God Save the King," to "Yankee Doodle," and to "Dixie."

Dusty boots shone as the strains of "The Marseillaise" swung them along, for the song meant the army, and the army meant—France!

An orator in Berkeley Square spoke two hours about the English forces in the Boer war and only four of his words were heard by the English people, "God Save the King."

These people marched for a king, but over in America men marched for a principle—they marched for democracy. Ragged feet beat time to a new rhythm and a new tempo—that of freedom! And for them "Yankee Doodle" meant "America"!

In 1863 drums rolled a funeral hymn for the United States. "Yankee Doodle" no longer meant a union but represented what was left of a bleeding republic. From the South came a lilting air—"Dixie"—as the feet of a decadent aristocracy stepped proudly to its strains and gave to the world an example of noble (if misguided) bravery. . .

Today the wounds have healed—rather they have been stitched together by the master surgeon — Time. Twenty-five years ago, Americans marched under a flag that meant purity, bravery, courage. Today America must again march together in unity or the stitches will break and there will be a gaping wound in the United States. There is a challenge to be met—can we, America, "give proof that OUR flag is still there?"

— and to the men in the armed forces — in the Navy, in the Army, and in the Marines — we dedicate this Yearbook.

SCENES

These Main Building "pillars of wisdom" are upheld by students as they, through their scholastic achievements, club work, and friendly spirit, give to the rest of American schools and colleges a shining example of American fellowship and good will. . . .

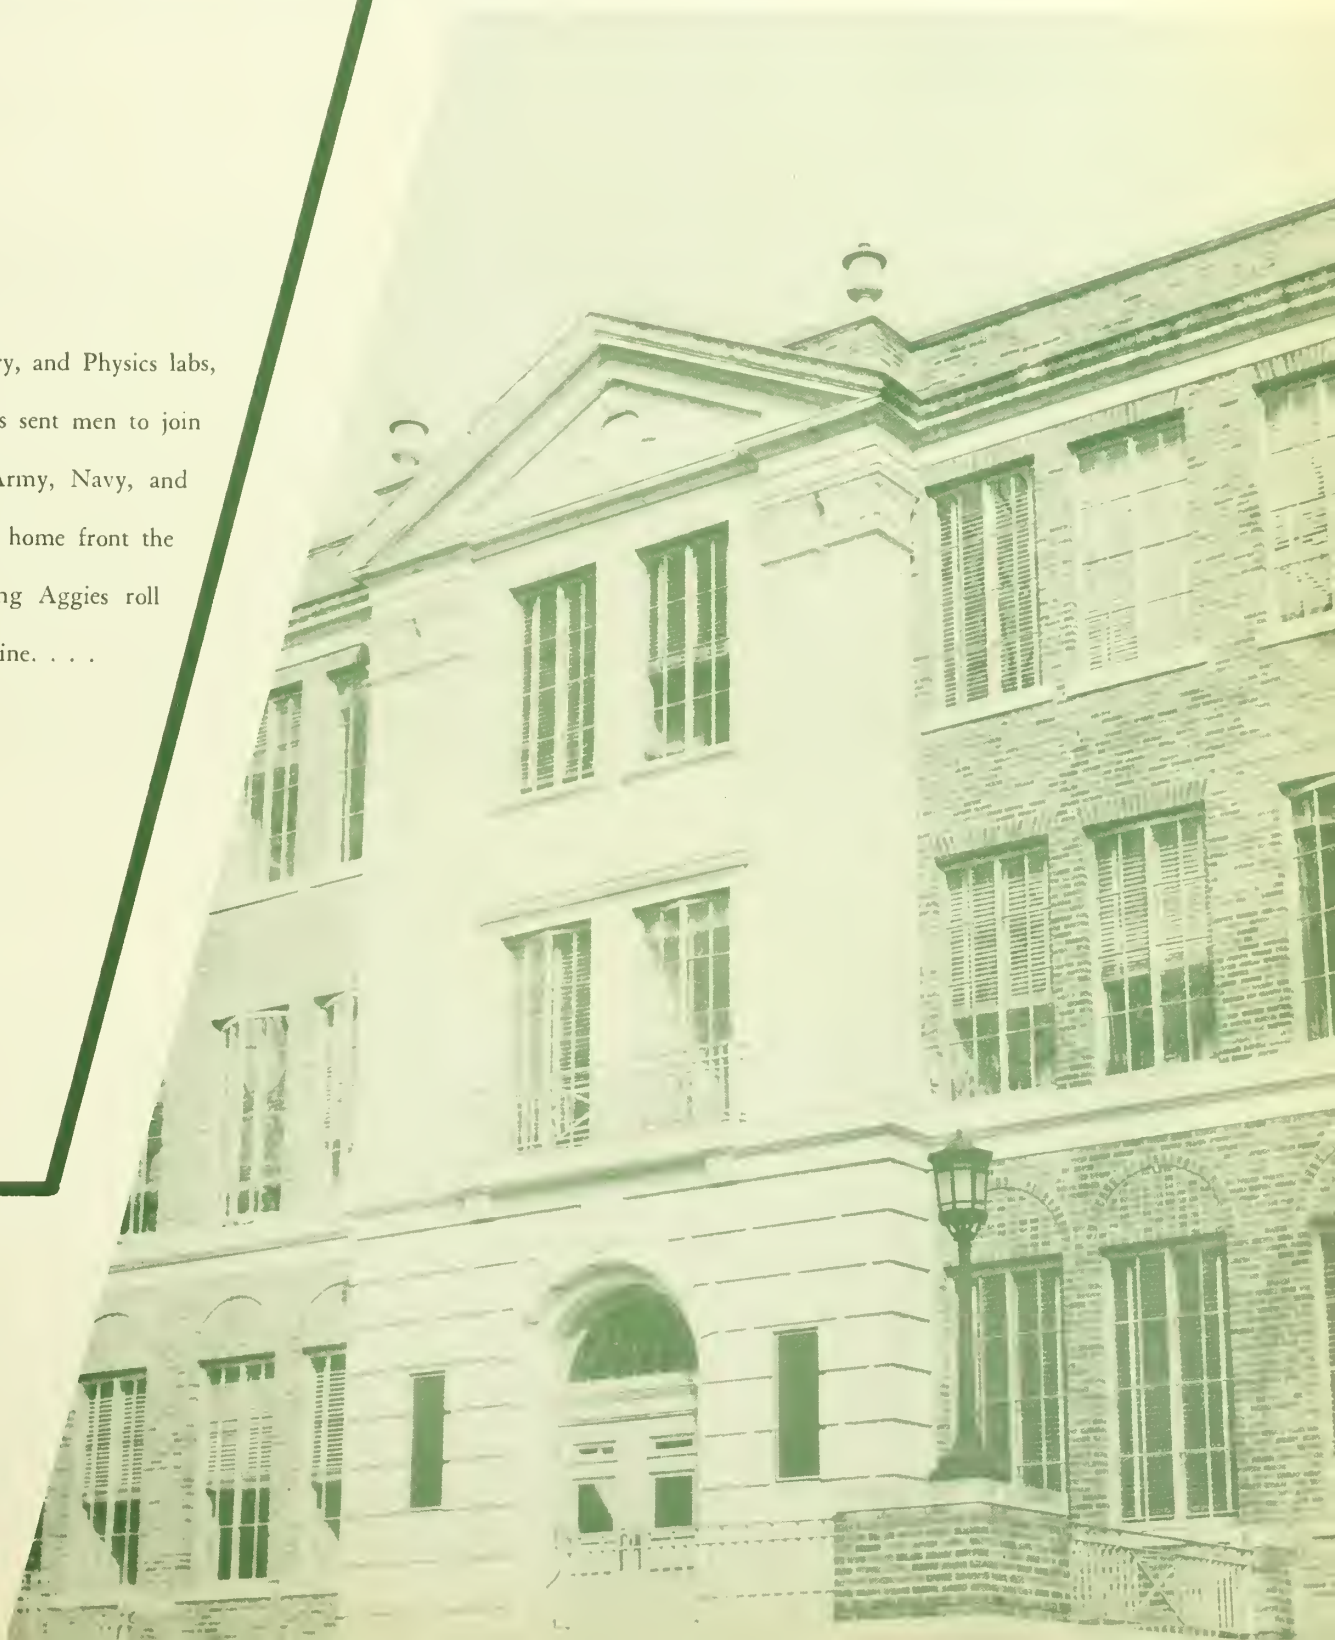

Here in the Home Economics cottage is the arsenal of American homelife as SFA girls learn to live on a wartime budget, cooking soldier fare in the cottage kitchen and victory-gardening at the college farm. . . .

No SFA Ex will ever forget Aikman Gym, home of the Lumberjacks and the Dramatics Department. Across its stage has marched a brilliant parade of Homecoming Queens and SFA beauties—but this year will be the first time that men in the uniform of the Service will be there—in spirit, if not in reality. . . .

From its Biology, Chemistry, and Physics labs, the Science Department has sent men to join the ranks of the U. S. Army, Navy, and Marines . . . while on the home front the mechanics and hard-working Aggies roll material off the assembly line. . . .

"The Playground of Women in Defense" describes
the women's recreational center, as P. E. majors
and PWRA-ers show their sex how impor-
tant keeping fit for their country is. . .

The same
boys who once
lived in the boys'
dormitory are now men
in uniform as SFA sends her
manpower to help Uncle Sam. . . .

The College Farm is the Quartermaster
Corps assembly line, as it produces its own
vegetables and breeds its cattle. It gives to
SFA an indication of America's backbone—
agriculture, with its magnificent Victory
garden. . . .

"The Star-Spangled Banner" brings every college student to his feet, as J. T. Cox leads the Lumberjack Band in this solemn salute to the Flag . . . The band hall does its share in uplifting college morale with the college orchestra, the band, and the recently organized all-girl band. . . .

"Any Stamps Today?" might well be the theme song of Gibbs Hall as all the girls contribute to defense by buying stamps and bonds.

Through the halls of Demonstration School have walked all types of students, but never before have they been united in so worthy a cause—that of patriotism. . . . These students are saving waste paper, old stamps, and are buying and selling Defense Stamps—all for the good old U. S. A. . . .

JAVANTS

DR. T. E. FERGUSON

Dean of the Faculty

Dr. Ferguson is an ideal and an inspiration for every other faculty member. He shoulders his load capably and yet finds time to participate in student affairs.

MISS SUE HILL

Dean of Women

Miss Hill, in her office of Dean of Women, presents an ideal of womanhood for which all women should strive.

The deans and Mrs. Ferguson "take in" the Cane Chaw Dance.

C. E. FERGUSON

Dean of Men

Mr. Ferguson acts as a genial "big brother" to all the young men on the campus and faithfully fulfills his position as Dean of Men.

Dr. Giles feels at home among the cattle . . . Mr. Sowell and little Ellis talk things over . . . Dr. Osborne takes a stroll through the campus on a fine Spring morning . . . the office force on their way for that pause that refreshes . . . Auditor Wisely knocks off an hour for lunch . . . Miss Hathcock says she walks for her health . . . the assistant auditor demonstrates his casting ability . . . Miss Ida is all dressed up with someplace to go, as usual . . . Dr. Flowers beams on the Mrs. . . . Mrs. Sanders takes pride in her beautiful home and flower garden . . . Professor J. T. Cox smiles for the FORT photographer . . . Miss Howard bicycles to school . . . "Doc" Howard and his famous record collection . . . Miss Middlebrook is an interested onlooker . . . Miss Mary Jane White on Barcarolle...

... Mr. Hurrell

HOW THE ELECTIONS WERE MADE

MR. AND MISS S. F. A.

Late in the fall of 1941, the classes held special meetings to nominate their candidates for Mr. and Miss S. F. A. The names of candidates thus selected appeared on the ballot at a general student election—the student body voted and chose by a majority the winners. Votes were counted by an impartial student-faculty committee.

THE BEAUTIES

Each club on the campus had an opportunity to nominate someone as their choice of most beautiful girl at S. F. A. Seventeen beauties were announced as candidates. Photographs of these beauties were sent to Mr. George Hurrell, noted portrait photographer for Esquire Magazine, who ranked them as they appear here.

GOODFELLOWS

This group of students, outstanding at S. F. A. for one reason or another, was selected by members of the college faculty. Reasons for choosing each of these students appear later in this book.

GOODFELLOWS

BOB MURPHEY—leader of some organization ever since he has been big enough to rap a gavel, student prexy murphey has a long campaign record behind him—he has been president of his college classes in his sophomore and junior years, maintaining in them that "political" air he is noted for—"pep" and "enthusiasm" are words synonymous with bobby's personality, and he infects all those around him with his immense vitality.

ARNODEAN SELDEN — "popular," "talented," "good sport"—all are adjectives in common use when the conversation centers around sfa's baton magician—she has combined play and work so successfully in her college career that one is inclined to forget the hard work and think only of what the work has accomplished—she has earned for herself the reputation of an all-round popular girl, a leader in everything she undertakes—besides having put sfa on the map with her magnificent drum majoring, deana is a member of pine burrs, woman's council, and alpha chi—managing all these and other activities with sincere effort and a level head.

TOM SHARPE—a guy with a nose for news and an ear to the ground is the pine log editor and senior class president—he publishes the college paper efficiently and, in the words of a faculty member, "he puts out a good paper without howling about it"—tom manages to get out a weekly rag, make his school work and enter into college life enthusiastically, doing all these things capably and well.

PAUL KRUEGER—a newcomer on campus who has given his time and energy to sfa's improvement is an instructor, paul krueger—his pleasant smile and unselfish voice have made him a popular campus personality.

C. E. FERGUSON—known by a popular pipe in his mouth and a twinkle in his eye, the dean of men is a familiar figure on the campus—he acts as a "big brother" to all the boys, always willing to drop them a little advice and encouragement.

C. FERGUSON—between straighten-
out schedules, outlining degrees,
managing the nacogdoches branch
of the red cross, "dr. t. e." manages to
squeeze in a friendly word or gesture
for all the students—he is a true stu-
dent advisor.

GOODFELLOWS

MRS. J. F. McWILLIAMS—by popularizing a new
form of recreation, or rather reviving an old one,
that of square dancing, mrs. mcwilliams has also
made a name for herself as one of the most
personable young teachers on the campus —
active in club and professional work, she is a
person whose pep and vitality are evident in
her classes as well as outside.

J. W. BOLTON—one expression voiced by faculty
and student body alike gives "cotton's" personal
traits in a nutshell—"best-liked boy in school"—
this football player's genial personality and
friendliness has made him a big influence on
the campus in his positions as sawyer and junior
class president.

RY LOU BEARD—"efficiency plus"
can be applied to this young lady if
you would describe her charm and
sweetness as well — lumberjackette
and committee secretary, and stone fort
player, she has made her graduating
year a big one for sfa as well as her-

LARRY COVIN—larry, now with uncle sam's
armed forces, is a former sfa-ite who was an all-
round boy and student—an austinite who left
behind him a fine football record, both as a
player and as a good sport.

GOODFELLOWS

OZELLA McRAE—ozella's friendly good nature is a true barometer of her popularity—she has been chosen a stone fort beauty for the two years she has been here, is a member of the pine burrs, college commission, the campus cut-ups, and is the very zippy sfa yell leader.

B. E. HOWARD—"mahvullus"—an adjective frequently employed by this popular professor, is one that fits his personality perfectly—the "doc"—maintaining equably the difficult line between teacher and student—has made himself one of the best-liked teachers on the campus.

CLAUDE RODGERS—claudie, known on the campus as bsu prexy, has the unusual reputation of feeding religion to the students in big doses and making them like it—genuinely interested in his church work, rodgers' enthusiasm and vigor infects all who come in contact with him.

WILBUR ROPER—wilbur combines religious leadership, scholarship, social activities in so well-rounded college life as to leave the best student gasping—he might well be termed a superman but for his ch

E. M. SOWELL—another schedule who keeps the student from getting lost in the maze of registration, is our clarifier and friend—he is open-minded, having a reputation for fairness and cooperation.

GOODFELLOWS

BEN ROPER—genial and dignified, yet on a level with every student—ben roper is a familiar figure on the campus—he maintains a courteous air in the bookroom—always eager to help any student who asks it.

G. T. STAGNER—"stag" is one of sfa's regular fellows, for his likable personality would win him friends, even if he had not created a place for himself as the mainstay and captain of the '42 basketball team.

HOWELL OWENS—howell is a lab and red cross instructor, member of alpha chi, austinites, and president of the aggie club—he performs all of these duties quietly and efficiently — besides turning in brilliant performances in two of mr. howard's major plays.

WINCIE BLANTON—a little girl with a big heart —whose charming personality has won her countless friends at sfa—in the words of a faculty member, "she goes on where many of us would JUST QUIT!"

JOHNNY ASAFF—johnny is always pleasant, his popularity never dimmed by the fact that he is quite a gridiron star—he is a former austinite prexy, a member of "t" association—and well-liked because of his geniality and friendliness.

A. W. BIRDWELL—the students' friend and president—noted for his all-round service to everyone—he always has time to talk to and encourage a troubled collegian—his best trait is his ability to stay young and thus sympathize with the problems of youth.

Judy King AUSTINITES

Mr. Hurrell's "... very definite first choice" ... was selected Miss East Texas the summer of '41 ... SFA Homecoming Queen in 1940 ... though extremely photogenic, is more beautiful even than her picture.

Naomia Meador

Coaches Murff and Baumgarten and sons

COACHES

Head coach M. A. (Dutch) Baumgarten finished his first year of collegiate coaching this year guiding the grid fortunes of S.F.A. The likable mentor who came to the forty acres from Nacogdoches high school has made himself an integral part of the athletic setup of the college and has made many fast friends among the students and faculty alike.

His team, this year, was noted for their clean play and sportsmanship, and for their never-say-die spirit when fighting against superior odds.

Coach Baumgarten played his football at Texas University where he is considered an all-time great at the guard position.

Line coach Ralph Murff and his untiring efforts played an important part in molding this year's edition of the Lumberjacks. Murff has served the cause of the purple and white since 1937 and left S.F.A. for naval service in March. With him goes the respect and admiration of the host of young men that he has developed and trained.

THE 1942 FOOTBALL SEASON

Regardless of the statistical outcome of the 1942 football season at Stephen F. Austin, the season as a whole can only be termed successful. True, the Lumberjacks could only manage one victory and one tie against six defeats, yet the results of the year and its bearing on the teams of the next four years are more important than any one year's wins.

Coach M. A. (Dutch) Baumgarten started the year with a small draft-riddled squad composed principally of freshmen and sophomores, all relatively inexperienced. During the season's battles he whipped them into shape and formed a smooth-working, hard-fighting machine out of his inadequate material; a team that had seven freshmen and sophomores booked for starting berths; a team of comparative youthfulness that stands a good chance of avoiding the draft for at least another season; a team that if it holds together will be a Lone Star Conference pennant contender before another year passes.

The Lumberjack grid machine opened the season against the Trinity University Tigers and came out victors by a 6-0 margin. The Henderson State Teachers from Arkadelphia, Ark., were next on the schedule, tying the Axmen, 13-13. Next came the Lions of East Texas State who downed the fighting Jacks, 20-0.

The Lumberjacks next felt the force of the North Texas State Eagles who took the 'Jacks to camp by a score of 28-0. The Bobcats of Southwest Texas State next defeated Stephen F. Austin, 27-0, for the Axmen's third conference loss. On Homecoming Day, Texas A. & I. administered a 55-7 licking to S.F.A.

The Lumberjacks went to Lafayette, La., and received a 25-0 defeat at the hands of Southwestern La. Institute. The final game of the 1942 season found the Sam Houston Bearkats edging out the 'Jacks in a 20-13 battle.

CO-CAPTAINS

Larry Covin

As one of the most feared climax runners in the conference, Larry Covin earned the respect of both teammates and opponents. He was a brilliant runner without an equal for elusiveness and speed in the conference.

He was selected for the L.S.C. all-conference team and co-captain of the Axmen.

Covin is regarded by many as one of the greatest, if not the greatest, backfield men to perform for S.F.A. in history.

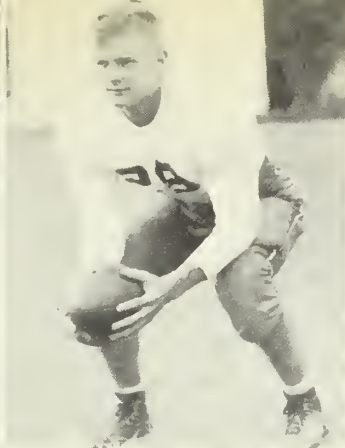

J. W. Bolton

The success of the season rested in part on the sturdy shoulders of "C" Bolton, triple threat quarterback who handled the passing, kicking, and running duties of the team.

A heads-up, canny field general, Bolton turned in an outstanding performance in every contest.

He was elected co-captain of the team and selected captain of the L. S. C. all-conference mythical eleven.

'JACKS TAKE SEASON'S OPENER

In a game that featured plentiful kicking on the part of both teams, the Lumberjacks opened the 1942 football season with a close 6-0 win over the Trinity Tigers. First downs favored the victors 8-6.

The Axmen scored midway in the final period after a sustained drive, led by Larry Covin, for 55 yards. Covin and "Cotton" Bolton were the main cogs in the 'Jack backfield, with Jetton, Brittain, and Starkey shining in the forward wall.

REDDIES TIE 'JACKS 13-13

With the Lumberjacks staging a sensational last quarter rally which netted 13 points, the 'Jacks garnered a 13-13 tie with the fast moving Henderson State Teachers Reddies in the second game of the year on Birdwell Field.

The Reddies led 13-0 going into the final canto but a drive, sparked by Larry Covin, tallied one touchdown, and a series of passes netted the tying marker. For the first score, Covin scurried 34 yards on a punt return, received the benefit of a 15-yard penalty, and then Bolton plunged over for the score. A series of passes from Bolton to Ray Wray and Covin knotted the count at 13-13.

LUMBERJACKS FALL BEFORE LIONS

On Oct. 11, the Lumberjacks traveled to Commerce to meet the fast East Texas Lions in the conference opener for both clubs. The Axmen found themselves unable to stymie the potent air attack of the East Texans and fell to a 20-0 defeat.

The Lions counted in the first three periods but were held scoreless in the final stages of the game by a concentrated attack led by Larry Covin and Cotton Bolton. Covin turned in a dazzling 84-yard run which fell short of a score by a narrow margin. Whitley and Brittain starred in the line.

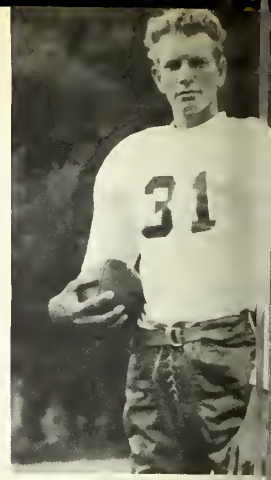

EAGLES DROP 'JACKS 28-0

The mighty North Texas Eagles met the Lumberjacks on Birdwell Field, Oct. 18, and came out on the long end of a 28-0 score. The power and passing of the championship Eagles was too much for a fighting band of Axmen who fought a losing battle from the start.

Despite the top-heavy score, the purple and white turned in a good performance and gave the invaders a run for their money.

Larry Covin was a constant menace with his shifty broken field running, as was Bolton with his aerial heaves. Tommie Mills, rugged end, and Whitley, aggressive center, led the fighting but outmanned line.

'CATS HAND AXMEN THIRD LSC LOSS

Coach Baumgarten carried his Lumberjacks to San Marcos, Oct. 24, where they lost a hard fought battle to Southwest Texas, which was closer than the 27-0 score indicated.

The defeat marked the third straight loss for the inexperienced 'Jacks. Accurate passing spelled victory for the surprising Bobcats who tallied three of their four scores via the air.

Lopin' Larry Covin led the Lumberjack offense with several flashy runs. Brittain, Cloninger, and Whitley stood out in the line.

TEXAS A & I CRUSHES 'JACKS 55-7

Before a large homecoming crowd on Nov. 1, the mighty Texas A. & I. Javelinas, one of the most powerful small college elevens in the entire nation, invaded the Piney Woods and administered a crushing 55-7 defeat to the Axmen.

The purple and white was completely smothered by the Hog onslaught which featured a galaxy of Little All-America stars.

Covin, Duty, and Bolton checked the rout in the closing minutes with a drive which netted the lone Stephen F. Austin tally of the game.

BEARKATS WIN OUT 20-13

On Nov. 23, the Lumberjacks' ancient enemies, the Sam Houston Bearkats edged out the Lumberjacks, 20-13, in a close fought battle on Birdwell Field.

The 'Jacks scored first on a series of passes by Bolton to Covin and Horn. Then the 'Kats tallied a pair of touchdowns to lead 13-7 which was nullified by Michell Jetton's sensational touchdown jaunt for 95 yards behind the entire team's interference.

The Bearkats' power plays began to click at this point and resulted in another 7 points to give a lead of 20-13. The Axmen put on an inspired spurt in the closing minutes which saw Covin hipper-dipper through the entire 'Kat team for a 43-yard run and a score, only to have the play called back because of a penalty.

The Lumberjacks turned in their best performance of the year this day, only to lose by hard luck and bad breaks. The final gun found them knocking on the 'Kats' goal line.

The entire team played inspired ball and each man was a star.

LUMBERJACKS LOSE AGAIN, 25-0

The Lumberjacks traveled to Lafayette, La., to engage the strong Southwestern La. Institute Bulldogs and fell to another defeat, 25-0.

A superior ground game coupled with power plus spelled victory for the Bulldogs. Larry Covin and "Cotton" Bolton led the Axmen in a losing fight for victory.

A tremendously outweighed line put up a valiant fight, led by Brittain, Burnett, and Whitley.

COACH R. H. (BOB) SHELTON

Coach Bob Shelton is the personable, well-liked mentor of the Lumberjack cage teams and head athletic director of Stephen F. Austin, serving his eleventh year at the Piney Woods college under Lone Star Conference participation, ten of which years his teams never placed lower than second in the final standings. Out of eleven chances, his Lumberjacks have won the L.S.C. title seven times, placed second three, and last once.

Were it not for the draft, Coach Shelton would very likely have added another title to his enviable collection.

EAST TEXAS COPS PAIR

On Jan. 23, the powerful East Texas Lions invaded Aikman Gym and copped a 54-30 victory from the inexperienced Lumberjacks which was closer than the score indicates. The sharpshooters from Commerce and their strong reserve wealth meant the margin of victory.

Elongated Ray Die, stalwart center, and Captain "Stag" Stagner served the purple and white cause well with Die taking scoring honors for the night.

Stephen F. Austin played the return game of the series in Commerce and fell before a furious last period assault by the clever Lions, 48-21. The Axmen were able to pace the champions for three quarters but fell beside the way in the final period.

Martin and Stagner again led the way for the Lumberjacks.

AXMEN SPLIT BILL WITH BEARKATS

The Lumberjack cagers traveled to Huntsville, Feb. 3, and dropped a thrilling, near-victory game to Sam Houston Bearkats, 44-38.

After leading the 'Kats nearly all the contest, the 'Jacks faltered under a last-minute flurry of scoring by the Prison City boys and lost out.

Die, Martin, and Stagner carried the load for S.F.A. and rightly deserved a win for their efforts.

On the following Feb. 31 Sam Houston returned the game in Aikman Gym for the twenty-second renewal of conference battles between the ancient rivals.

The Austinmen came out winner in as thrilling a ball game as was ever played in venerable old Aikman Gym. After nearly four quarters of nip and tuck playing in which the 'Jacks held a small margin all the way, Sam Houston forged ahead and with ten seconds to go, led 45-44 and held the ball in their possession.

At this stage, Captain Stagner deftly stole the ball from his opponent and dribbled the length of the court to sink a crisp shot which sacked the game 46-45, just as the timer's gun sounded to end the contest.

AXMEN DROP TWO TO EAGLES

The Lumberjacks dropped a hard-fought game to the North Texas Eagles in Denton, Jan. 12, by a score of 54-40. The fast-breaking Eagles piled up an early lead which the 'Jacks were unable to overcome, despite a desperate last minute rally.

T. L. Martin, ace forward, and "Stag" Stagner led the purple and white attack with their sharp shooting and smooth floor play.

In the return game of the Eagle series, Feb. 6, in Aikman Gym, the fast improving North Texans smothered the 'Jacks, 52-39, under an avalanche of goals.

Elton Sandel and T. L. Martin headlined the Axmen offense, with Stagner playing capable defensive ball.

'JACKS TRADE OUT WITH BOBCATS

The Lumberjacks trekked to San Marcos on Feb. 13 to meet the Bobcats of Southwest Texas Teachers in a fast and furious contest which ended 48-40 in the 'Cats favor. The game was hard fought throughout and was only decided in the fading minutes of the final frame.

Ray Die, elongated center, turned in the best performance of his collegiate career to tally 18 points to lead all scorers for the night. Stagner turned in an excellent floor game, skillfully feeding the ball to his mates.

On Feb. 24, the Bobcats came to the forty acres for the final game of the season for Southwest Texas and got the short end of a tight 46-38 game. It was the first conference win for the Lumberjacks.

The Lumberjacks were trailing going into the last quarter when Clay Kennedy, speedy forward, entered the game in the guard position and broke up the ball game with his long, looping shots from mid-court.

The entire club played smooth, smart ball and deserved the win. Stagner and Martin showed well on both the defense and offense.

TENNIS

1942's tennis team is perhaps the strongest and best all-round group of netmen ever to wear the purple and white. Striking feature of this group is the unusually low aggregate age of the boys, being less than 18 for the team of five.

Due to the excellence of '42's netters, Coach Shelton booked many matches to prepare them for the annual Lone Star Conference meet which closes the net season.

In their opening match, SFA downed Sam Houston, 5-2. A return match ended with the same score. The 'Jacks defeated Southwest Texas, 5-1, and dropped a match to East Texas, 8-1. Louisiana Normal handed the Axmen a 5-1 defeat for the only other loss of the season, giving them a 3-2 edge in wins. The Lumberjacks were entered in the conference meet May 5 and 6 in San Marcos.

Charles Huff plays in the No. 1 slot; Ray Tuggle at the No. 2 post; Billy Howard No. 3; Autrey Maddox at No. 4; and C. D. Thomas plays No. 5.

With one exception, these men will all be eligible for conference competition for the 1943 season.

TRACK

Stephen F. Austin was blessed with a strong track and field team for the 1942 season. Strongest departments were in the dashes, hurdles, and weights division.

The purple and white harriers were entered in several meets by Coach Shelton and showed a good account of themselves. First of the season was the Fort Worth Fat Stock Show meet where the Lumberjacks picked up ten points in competition with some of the strongest cinder teams in the southwestern region.

The following week the Axmen were entered in the Texas Relays, where the sprint relay team placed third. Other meets entered were a triangular meet with Southwest Texas and East Texas; a dual meet with Sam Houston; the Lone Star Conference meet, and others.

Track, like other major sports of the Piney Woods school, was crippled by the draft and graduation.

The Baptist Student Union is the connecting link between the college student and the local church. It works through the Sunday School, the B. T. U., and the Y. W. U. promotes spiritual development and offers an attractive program including Christian fellowship and social activities. Every student who is a member of one of the unit organizations of the Baptist Church is a member of the B. S. U.

Outstanding events of this year's work included the welcoming banquet with Dr. Thomas Taylor, president of Howard-Payne College as guest; delegation of twenty-five to the State Baptist Student Convention; assembly program featuring Brother J. W. "Bill" Marshall as speaker; luncheon with Chester Swor and Kearnie Keegan as guests; and a spring retreat at Fern Lake.

1941-1942 witnessed another record-breaking year for the Speech and Drama Department—the Dramatics Club members presented clever and attractive plays under student direction—

THE 1941 YEAR closed with the Senior play "Sun-Up"—Madeline Baker, Douglas Blackmon, and Elanora Westmoreland gave unforgettable performances—

1941-1942 opened with the famous New York hit, "You Can't Take It With You," with Howell Owens, Evolyn Dyer, and an all-star cast, giving SFA members their finest comedy—

IN KEEPING with the times Director B. E. Howard picked an old-time melodrama, "Pure As the Driven Snow," as his second production. It was done perfectly, keeping the audience mystified most of the time. E. Penmenter, Lyda Merchant and Howell Owens starred with a perfect supporting cast—

THE CASTING of plays is done by the try-out method, and is open to everyone in school. We feel that the Drama and Speech Department is doing its share and is taking its place on the SFA campus—

SAWYERS

The Sawyers were organized in the fall of 1927, and is the oldest club in S. F. A.

The purpose of this organization is to promote pep and school spirit among all of the college students and to bring together in friendship and harmony leaders of all phases of student life who are interested in working for the good of their school and club. . . .

The organization, besides promoting pep, does things socially in a big way. The annual Bowery Ball, and the Sawyer Apron-Overall Dance are not to be missed. . . .

Even though periods of depression and war have presented problems, this ideal has never been lost sight of. Today, we are going through another such ordeal. America is having her rendezvous with destiny. Naturally, we are conforming to war requirements, but, you can be certain that regardless of what conditions may be in the future we will spare no effort to merit your continued Confidence and Business.

"HOME OWNED AND OPERATED"

If the rest of the road is half as good
As the half that has gone before,
I'll swing along with a singing heart
And pray the fates for more.

How long? How far? How hard? How fine?
How heavy or light the load?
If it's half as good as the half I've known
Here's hail to the rest of the road.

THE REST OF THE ROAD WILL BE TWICE AS GOOD
. . . . when you ride on

I believe in a college education—
But do not believe it is a substitute
for hard work, proper spirit, and
enthusiasm, so don't fail to get
your education, but be willing to
mix a lot of hard work with it and
I am sure you will find it will
“pay larger dividends.”

TO THE
ADVERTISERS

I wish to express on behalf of THE STAFF and THE STUDENT BODY as a whole our appreciation for your cooperation in enabling us to publish the 1942 STONE FORT.

TO THE STUDENTS

The merchants who have advertised in THE STONE FORT have made it possible for you to have an annual of this size and quality. I have tried to add interest to this section by the use of pictures. If you notice an ad here tell the merchant and . . .

Welcome to All College Students

C. J. SHRADER

Jeweler

So ends our book. Its picturization of life at Stephen F. Austin Teachers College is nowise complete, but this cross-section of our school will serve as a reminder of the eventful years 1941 and 1942.

The STONE FORT is truly a democratic yearbook—without the splendid cooperation of student body and administrators, it would be nothing. The following persons are especially praiseworthy for their ceaseless efforts:

Nancy Thaggard
Douglas Swearingen
Wilbur Roper
Selwin Jones
Josephine Ross
Joyce Bright
Don Barkett
Frances Holman

Nancy Bunn
Charles Kilpatrick
Sherrod Osborne
Dorothy Moore
Glyndon Gibson
Miss Sue Hill
Miss Jo Brooks
Mrs. Jim Stallings

The annual and I are

Yours sincerely,

Mary Lou Beard

Editor.
